We take the privacy of visitors to this website very seriously. The purpose of this cookie policy is to inform you about the types of cookies we use on this website, and via our Service. This site uses cookies in order to perform certain functions. By using our website, you are deemed to consent to our use of the cookies described in this cookie policy. You can refuse to accept cookies by activating the setting on your browser which allows you to refuse the setting of cookies.

A cookie is a small piece of data sent by our computer to yours so that information can be recalled.

A cookie is stored by your web browser in a text file on your computer. Each time your web browser requests content from a server that has previously interacted with your machine the cookie's message is sent back. Cookies are passive and just used for transferring that anonymous information.
